**What is the Academy program?** The **Texans FC Next Generation Academy** has been designed to create a love for the game of soccer in the early stages of development. The emphasis will be on developing basic skills, soccer instincts, and creativity through technical training and small sided games.

**Academy Games Included** All U-9 and U-10 players have the opportunity to play in an Academy League through **Texans FC**. Games will take place every Sunday at different locations throughout Houston in a low pressure, fun environment against academy teams in the area.
